

CHERRYBROOK LITTLE ATHLETICS NEWSLETTER NO. 13
FRIDAY 10 JANUARY 2014
CHERRYBROOK PROGRAM 3

Happy New Year to all families! If you are home from holidays please come to Greenway Park this Friday night as we recommence Little Athletics at Cherrybrook for 2014. Whilst there are duties, we usually have smaller numbers and I would therefore ask everyone to pitch in and help set up and pack up. You have all done it before so you know what is required. Please arrive at 5 or 5.15 to help set up.

We especially need helpers in the canteen, so please volunteer by just showing up.

Combining Age Groups

Often in January we combine age groups. This is due to small numbers, so usually the boys and girls go together for each age group. This does mean that there cannot be records broken in a track event if it is mixed. So if you think your child might be able to contest a record, please ensure that their particular race is single sex. It isn't a problem for field events.

Records

A reminder that records must be verified by two people - the age manager plus a member of the committee. The committee can be found wearing red "Cherrybrook Committee" shirts. If it is a field event the spike must be left in and for long jump, the sand left not raked.

Canteen & BBQ

This week we will be offering sausages from the canteen along with the usual drinks, ice cream spiders, chips and lollies.

Giant Christmas Raffle

Thanks to all members who participated in the Christmas raffle - we raised \$400 which is a great result for the club.

Region Championships 15-16 February, Narrabeen

Congratulations to our automatic qualifiers to region. Those who came 7th-10th in events will be notified after the Australia Day weekend about your participation in the carnival. We will have a parent roster and it will be released on Sign Up Genius as the Zone roster was. Though with 10 clubs participating we won't have as many duties. (We also won't have as many parents!)

The Zone Championship was terrific and Cherrybrook performed very well. If you didn't see the zone report, you can find a copy of it on the Cherrybrook website, along with full results for every Cherrybrook athlete. www.cherrybrookathletics.org.au If you are interested in seeing other results, including other zones, please go to the Little Athletics website and under Competitions you will see a tab for results and you can check there. www.lansw.com.au
