

TRANS TASMAN and State MULTI reports

This year Trans Tasman was held in Sydney, with the Challenge day at Campbeltown.

The team from Auckland this year travelled to Sydney and spent about 10 days touring Sydney and competing. This year Cherrybrook was represented by 2 athletes this year, Zach Semaganda (U12B) and Will Austin (U11B)

Zach competed really strongly to finish 6th in the 200m final. Will Austin competed in a range of events across track and field – in the 400m, Long jump, and throws, finishing with very strong results in the Shot (5th) and Discus (5th). Will also competed in the mixed throws relay in the A team which won the silver medal.

Trans Tasman continues to be a wonderful opportunity for athletes to compete in a genuine team environment, make many friends and wonderful memories. Next year the NSW team will head back to Auckland to defend their Trans Tasman title.
