

Cherrybrook LAs State Relays Report 2016

State Relays was again back at Homebush this year, so it was a great experience for our young athletes in particular to run on the blue track. This year State Relays had various event changes again, with the junior field relays of 3 athletes consisting of 1 athlete throwing Shot and 2 in discus, with additional Long jumps teams of 3 athletes. Our senior field teams consisted of throws teams of 3 – shot, discus and Javelin, and jumps teams of 3, with 1 athlete each in Long jump, Triple and High jump. As previously the 4x200's, 4x400's and middle distance relays were all timed finals, with heats and finals of the 4x100 relays. Cherrybrook had a relatively big team of junior athlete – 21 teams, as well as a smaller contingent of seniors – 11 teams, making 32 teams competing over the two days.

State Relays really is a team event, and we are all grateful to the many people who worked together to make it all happen, from organisers and officials team managers, our coaches and parent helpers, and of course our athlete teams.

Junior Day

State Relays is one of the toughest athletics competitions, particularly in the juniors, with around 150 clubs represented from around NSW. To finish in the top 10 or make a final is a great achievement.

Of the junior teams Cherrybrook was very well represented, with 4x100 teams in most age groups, and a good complement of 4x200, 4x400 and middle distance teams, as well as multiple field relay teams. The 4x100s are always very tough events. This year 2 teams made the finals – the U9 Boys and U10boys finishing 6th and 5th respectively which is an excellent effort.

Special mention also to both our junior middle distance teams who both finished 5th, and the U9 girls jumps team who just missed the medals finishing a very close 4th. But the stars of the day were undoubtedly the 9G throws team of Tayla Moore, Mia Stewart and Natasha Flahey who threw superbly to not only win the GOLD medal, but set a new state record in the U9G throws event – well done!!

There were many other really good performances across the board - full results below

Senior Day

The senior day tends to be a bit calmer and quieter, but the competition definitely is not!! Our Senior team was a little smaller than previously, with a few athletes unavailable to compete this year. Despite this we were very well represented, with 3 of our 4x100 teams making the finals – the U12, U13 and U14 boys – finishing 6th, 5th and 5th respectively which is an excellent result.

Our talented U14 boys jumps team of Jono Reid, Donovan Bradshaw and Kaylan Clarke were just pipped for the gold medal – with their SILVER medal in fact breaking the previous state record with their jumps, only to be beaten by the Team from Parramatta - well done boys

So all in all, a fun weekend of competition held in wonderful team spirit and good results - well done to everyone!

Jenny Bishop,

Championships Officers Cherrybrook Little Athletics
