And so we head around the track for the **last night of competition this Friday**. What a season it has been! Our athletes put in amazing effort each week, and it has been wonderful to watch our Little Athletes compete with such determination and enthusiasm. And every week it has been great to see friends cheering other athletes on, and enjoy watching our athletes striving to do their best. Well done everyone! Remember registration for the 2018/19 will be open again in August.

Traditionally each age group chooses a novelty event or relay to run (backwards 100's, noodle races, 3 legged race etc – so come with some ideas for a fun event for your agegroup.

Thank You!!

There are many thank-you's that we need to give for the season:

- to all the committee for all their work behind the scenes to keep things ticking over, to our wonderful age managers and age manager co-ordinators who have done a fantastic job running each agegroup week to week.
- Special thanks to Shoba Ramaraj who as a relatively new parent to Little Athletics stepped up to take on the role of registrar this year – without her we would not have had a season at all – so thank you very much for all your hard work.
- Also, a big thank you to Jill Ingram, Christian and Marsha Budden as well as our other regular timing gate helpers – we really appreciate all your hard work this year that gives us instant results!!
- Of course we can't forget our regular starters and stand-in helpers for starting our races each week – there are a few too many of you to name, but thanks!!
- Massive thanks yet again to, Sandra, Lyn and other helpers in the canteen + Sean on the BBQ each week – how good is it to be able to have a bite to eat at the end of each night??
- Well done to our parents and supporters for helping out each week, and of course to our athletes for their wonderful spirit and performances each week – it's been a great season.

Photos:

We would love to do a few quick photos **starting at 5.45** for the red book. If you won a medal at either Zone (U7's only) or region, then **please bring your medals with you** so we can get a photo for the redbook. The order of photos will be:

- Zone representatives
- U7 Zone medallist and U8 region medalists
- region representatives
- Region medalists,
- Trans Tasman representatives
- State team

COLOURED PATCHES:

Remember to fill out your **Coloured Patch** Achievement Recording Sheets so that we can award patches. You can download these sheets off the website and then hand them in at the clubhouse. Follow the link below to print off your relevant coloured patch form:

http://www.cherrybrookathletics.org.au/Title%20Pages%20added/Coloured_patches.html

Then log in to results HQ and find your child's results. Each agegroup is different, so follow the instructions as to how many events you need to achieve a patch. Remember that you can use results from Zone and Region towards patches also.

If you put in a coloured patch form tonight, we will arrange a weeknight where you will be able to collect the physical patch – keep an eye out for an email. Alternatively they will be available at our presentation night in May .

If there is an event that you need to complete one of your patches that is not on your program, or you want to attempt a record, please come and see either Jenny Bishop or Craig Little, and we will try arrange for you to hop in with another agegroup if they have that event, or do a special "invitational" You may only do an event **once** if attempting for a patch or a record (eg. 3 throws/jumps or 1 attempt at a sprint event etc)

HAS YOUR CHILD BROKEN A CHERRYBROOK CHAMPIONSHIP RECORD?

In addition to normal Friday night competition records at Greenway, we also have championship records. These are the best performances by our athletes at any of the Little Athletics Championships (Zone, Region, State, State relays, State Multi, ALAC).

Below is the link to the records which are on the front page of the Cherrybrook website:

If you think your child has broken one of these records, please email a list of the event and time/distance achieved and at what Carnival (eg. Fred Smith U8 boys long jump Region 2016 3.95m) to jenbishop@optusnet.com.au

A FEW DATES FOR YOUR DIARIES:

LA's State Championships

These will be held over 3 days Friday 23rd-25th, This year we have 51 athletes who have made it through to State which is a great effort.

Clean up time!! The club house is well overdue a good clean-up, so we are aiming to do this over the week of **26th + 28th March**. If anyone has some spare time in the afternoon's of those days, or is already up at the club for training on those days, please speak to one of the committee members, and perhaps you consider helping out for an hour or so between about 5 and 6pm

Presentation day

Our annual presentation day will be on **Sunday afternoon 20th May at Dural Country club** . This is a fantastic afternoon where we remember many of the great achievements of the season, give out our season's awards, and you will get the chance to see lots of the great photos as well as some terrific video's from this season. Please set the date aside in your diary.

Best wishes to our athletes competing next weekend at the State Championships at Homebush – we know you will do Cherrybrook proud!

We hope you will all be back again for the new season – other than of course our older U17 athletes – we wish them the very best in the future.

HAPPY ATHLETICS!!
