Thank you to everyone who came last week – we had a few hiccups with gates and injuries, but it was great that everyone worked together to get us through the program. Being school holidays we anticipate it being much quieter this week, but we will require all hands on deck to help out with age groups as a number of committee people and age managers are away.

We are running program 1 this week – follow the link to see the events in your agegroup:

A reminder that athletics will continue over the school holidays, however it is totally fine if you are away and unable to attend – you don't particularly need to let anyone know unless you are an age manager. **If you are an age manager and you are going to be away, please speak to one of the age manager co-ordinators to let them know, and if you can, perhaps help another parent learn the ropes this week.**

Parent sign in and duties – NEW ROSTER

After quite a bit of feedback, we have streamlined the duties, and are going to trial a new online sign up system for rosters using "sign up genius" which many of you will be familiar with from Zone rosters.

PARENTS WILL BE REQUIRED TO SIGN UP EVERY SECOND WEEK (though this week with our lower numbers we will need parents to sign up until the roster is full before signing in your children) EACH WEEK, a link to the online roster will be sent out via the weekly email. One member of each family MUST help out on a duty every second Friday night.

LINK TO ROSTER: <http://www.signupgenius.com/go/60b054caaa929a13-cherrybrook3>

When you arrive, please still go to the desk and have your name ticked off against the duty you have chosen. You will then receive a poker chip for each child in your family. These poker chips will need to be given to your age managers to allow your child to compete.

The exception is for parents of the U6 agegroup where parents must remain with the agegroup looking after their own child and assisting the U6 age manager to run each event and be vigilant with "crowd control" .

Our age manager co-ordinators will keep track of sign ups to ensure a fair distribution of duties so that everyone is helping out.

Parents **please arrive on time and stay with your children until competition is finished.** We understand there can be traffic issues etc., however we need helpers to set up and get started on time. Please don't send your child in while you sit in the car. The running of our events is not difficult and your children really enjoy seeing your involvement, and knowing you are supporting and watching them close up. It also makes it very difficult for the age managers to concentrate on teaching and supervising events when people arrive late, or if there are not enough parent helpers. So please arrive on time and get involved!

Your age manager will direct you to each event throughout the night. Please assist the age managers as required in getting kids safely to each event, and help as required throughout the night.

CANTEEN:

Thanks for supporting the canteen last week.

This week's Specials:

Chicken Skewers: \$ 3 each

Usual Sausage Sandwiches \$3

Add \$2 for a can of soft drink to make a meal deal.

Other Drinks, coffee and other treats etc will also be available as usual each week

Our Canteen is one of our major fundraisers for new equipment each year, and makes life a little easier if you don't need to cook dinner when you get home!!
