## VOLUNTEER DUTY PREFERENCE

As a 100% volunteer organisation we need your help to run our club. There are some duties that we need to organise before the start of the season in order for the Friday nights to run smoothly. These are listed below.

If you have more than one child, we would ask that you do not always stay with the same age group, as all age groups will be responsible for running their events. There are many jobs that need to be done – particularly at the field events and the majority are not difficult. Each age group also needs people to carry the basket of water bottles etc, or enter results into ipads or the results computer. If you are not sure what to do or what help is needed, please ask the age managers. Each age group will also have duties for the age group on a roster basis – helping out with equipment set up & pack away & BBQ/Canteen duty.

The more people that help out the more efficient and enjoyable the Friday night becomes for everyone.

**AGE MANAGER**

Two or three Age Managers are required for each age group. One of the age managers needs to attend each week, so as to co-ordinate and lead the age group.

**ASSISTANT AGE MANAGER**

NOTE: The Club runs a training evening prior to the season starting, so as to familiarise all age managers with the event rules and to give guidance in regards to running an age group on competition nights. The Club encourages all Volunteers to attend this evening.

**UNDER 6 PARENT**

1 parent is advised to accompany their U6 Athlete each week and assist the Age Manager

**FIELD EVENT HELPER**

If there is a preference please tick

**JUMPS**

or

**THROWS**

**TRACK STARTER (Training can be provided)**

**TIMING GATE HELPER**

**CANTEEN HELPER**

If you are able to assist the Club in any other way; ie: business sponsorship, coaching experience etc ... or any other skills you can offer please indicate below and a Club Committee Member will contact you as soon as possible.
